**GENERAL RULES apply to all exhibitors – Paint Regular Registry, Solid Paint Bred and All Breed exhibitors and to all NMPHC show and year end titles and awards:**

- G-1. The board will allocate monies for awards at their discretion.
- G-2. The initials NMPHC and/or the NMPHC logo, whenever possible, will be applied to all awards presented by the association.
- G-3. All entries must be made on approved show entry forms and filled out completely and signed.
- G-4. NMPHC State Point System will be used to calculate show (circuit) and year end titles and awards:

# of entries	1st	2nd	3rd	4th	5th	6th
6 or more	6	5	4	3	2	1
5	5	4	3	2	1	-
4	4	3	2	1	-	-
3	3	2	1	-	-	-
2	2	1	-	-	-	-
1	1	-	-	-	-	-

G-5. Points will be awarded under each judge.

G-6. No points will be awarded to a disqualified entry in a class, but the entry will count toward the total number of entries in the class and the total number of classes entered.

G-7. Points will be kept on one (1) horse/one (1) exhibitor for Youth, Novice Youth, Youth Walk/Trot, Novice Amateur, Amateur, and Amateur Walk/Trot divisions.

G-8. Open points will be kept on the horse only.

G-9. When two (2) classes are combined, the class having the higher class number will be the class shown and in that class order. (Example: if class #5 and class #9 are combined, the class will run in class #9's position). In addition, if it is a pattern class, the higher class pattern will be used.

G-10. Show management may cancel a class if there are less than (2) entries, or classes may be combined to make a point class and where APHA rules permit (such as halter classes). When classes are combined, points will be awarded based on total number in class according to Point System above.

G-11. In classes that are run concurrently such as Paint Regular Registry and Solid Paint Bred, NMPHC points will be awarded based on number of horses showing in their respective registry, i.e. Regular Registry points will be based on number of RR horses exhibited in class and Solid Paint Bred points will be based on number of SPB horses exhibited in class.

G-12. In the event that halter classes or youth classes are combined, points will be awarded based on total number of horses in the combined class and then allocated to halter class age group or youth age group as offered in class list.

G-13. Refund of entry fees will only be made when a class has been canceled by the show management or due to incapacitation of rider or horse. A doctor's note or veterinarian certificate may be required.

G-14. APHA rules shall apply when not covered by NMPHC rules or specific show rules.

G-15. In the event of a tie for show or year end titles and awards, the entry with the most firsts will be declared the winner. If a tie remains, the entry with the highest placing over the greatest number of horses will be used to break the tie. If a tie still remains, a flip of coin will be used to determine winner.

G-16. A person will be named at each show to act as the "Exhibitor Representative". Exhibitors, owners and spectators will not direct any questions to any Judge on the show grounds. All questions must be addressed through the Exhibitor Representative.

G-17. Questions concerning rules as published may be presented to the NMPHC Board of Directors for clarification. Their decision will be final. The NMPHC Board reserves the right to modify or reduce requirements for year end awards due to national, state or local emergencies and disasters.
